

**MRS. BYRON RINEHART** of Dixie Street gets a double vote of thanks for sending two versions of the following recipe to fill an earlier request in this column.

### **Pie Crust**

1 1/3 cups flour  
1/2 teaspoon salt

1/2 cup vegetable shortening  
3 to 4 tablespoons ice water.

Mix together flour and salt; cut in shortening. Add ice water until mixture is moist and will hold together. Roll to desired size, fit into pie pan, and bake for 10 to 12 minutes at 400 to 425 degrees.

(NOTE: I have added 1/4 teaspoon of baking powder to the dry ingredients with good results. Also, vinegar may be substituted for half of the water and mixed together, and it will work out well.)

### **Never Fail Pie Crust**

3 cups flour  
1 teaspoon salt

1 1/4 cups vegetable shorten-  
ing

1 egg, beaten

1 tablespoon vinegar

5 to 6 tablespoons ice water

This recipe makes a dough that is very easy to handle. Blend salt into flour; cut in shortening well. Combine beaten egg, vinegar and water; pour into flour mixture all at once. Blend with spoon until all dry ingredients are moistened. Roll out; makes three crusts or one double and one single crust. Bake at 400 to 425 degrees for 10 to 12 minutes. Do not overbake.
